

PRIMARY PE & SPORTS PREMIUM STATEMENT

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. In 2017/18 the amount schools receive each year has doubled.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. the engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. the profile of PE and sport is raised across the school as a tool for whole-school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport

Funding - Individual schools will receive circa £16000-18000 per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; staff CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

The total funding for the academic year 2022/2023	£17,450
Projected spend 2022/23	£17,790
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	82%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	82%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	67%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	N/A

Accountability & Impact - Schools are required to keep parents informed and publish plans for deployment of premium funding on their website by April of each academic year. Schools will be expected to track pupils to be able to show what improvements have been made and evidence the impact of the sport premium. From September 2013, Ofsted inspectors will assess and report on how effectively this new funding is being used when making the judgement on the quality of the school's leadership and management.

Time 2 Move - 'Time2Move' is the Cornwall Framework for PE and School Sport. It has been produced by a range of key stakeholders here in Cornwall including Head Teachers and subject specialists taking into account the outcomes of the primary sport premium and Ofsted recommendations. For those schools seeking a comprehensive school sport offer it provides a blueprint to develop excellent delivery both within and outside the school gates. As part of this initiative schools are provided with advice and guidance including a self-assessment audit and action planning template (for further information go to www.cornwallsportspartnership.co.uk/pe-and-school-sport). The following table outlines plans for the deployment of the sport premium funding this year set against the ambitions of the framework.
