This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
<p>Reduce changing times for PE. Come to school dressed for PE-on-PE days.</p> <p>Spend funding on transport solutions to enable our pupils to get to events and opportunities for sport and the wider curriculum educational and residential visits.</p> <p>Targeting DP pupils for active extra-curricular clubs. Clubs planned with these children in mind and spaces reserved especially. Parents contacted and offered spaces before being offered to the rest of the school.</p> <p>Trial PE schemes. Refreshed, user-friendly PE scheme required. Liaising with PE schemes and Penryn Partnership and Head of PE at Penryn College to trial and test a variety of schemes during 2023-2024. Complete PE purchased.</p> <p>PE lead to deliver PE across the school Yrs 2-6.</p> <p>Swimming to be offered to all KS2 pupils Top up swimming Y6 (x4 weeks) Physical interventions for pupils.</p>	<p>More time being physical in lessons- less time/no time changing.</p> <p>Staff trained to drive minibuses to facilitate transportation of pupils to Sports events, swimming & Residential for all pupils- Y3-6 with reduced costs and expectations of our working parents. All children attend events and visits. Staff are first aid trained so our children are well looked after and cared for in the event of any injuries.</p> <p>Clubs survey used to identify what DP children would like and the uptake of DP attending clubs has risen by 75%. Fees have been paid by Sport Premium for these pupils to remove the barrier of finance. Improved attendance and children engaged & attending school willingly. A wider range of pupils are now accessing what is on offer.</p> <p>Staff feedback is positive. It's so good and straight forwards. Lots of sports covered & curriculum map built for 2024-2025.</p> <p>Children& pupils invested in HQ PE lessons. High participation rates and engagement across all areas of PE across the year in a range of sports.</p> <p>Pupils in need have a PE bought for them to ensure they are PE ready.</p> <p>96% of pupils in Y6 are proficient at swimming 25m and a range of strokes and have a range of self-rescue techniques they can draw on.</p> <p>Children who struggle in the classroom have bene given extra physical intervention time regularly throughout the day. The children enjoy this, and it meets their sensory, cognitive and physical needs. As a result, all reduced timetables have ended, and children now remain in class full-time.</p>	<p>Children and parents like coming to school ready for PE. PE time is utilized well. Cloakrooms are also less congested.</p> <p>More children accessing opportunities and the barrier of transport has been removed for the majority of what we offer.</p> <p>'I got dance today, I love dance club its such fun'. 'I can't wait for cricket club this week'. 'Sailing is all ****lives for – it's the highlight of his week, thank you for this opportunity'.</p> <p>Sample of staff and parents feedback: <i>Y1 teacher: I love complete PE- Its amazing. So clear and concise and I know exactly what I am doing.PE lead- has used a variety of schemes throughout the year and decided on complete PE in liaison with the rest of the Penryn Partnership. CG also working with the YST to develop future units or work.</i> <i>SP Y3: I love PE with you. When can we do dance and gym again?</i> <i>Thank you so so much to you and all the team - we have a very happy tired boy with lots of adventures to tell!</i> <i>Just wanted to say a massive THANK YOU to you and all the other staff on camp **** had the best time ! Not stopped talking about it and it was a big thing for him as not been away from us for that long before or had many opportunities the last couple of years so really grateful for the opportunity</i> <i>ThAnkyou 🙌🙌🙌</i> <i>Thank you so much Mrs G and all the other loving and caring members of staff for looking after ***. I have never seen him so exhausted! It sounded awesome, and he had such an amazing time.</i> <i>Thank you so much, **** said she had the most amazing time, chatted all the way home about all the fun they have had and can't wait for next year.</i></p>

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	96% (78% in 2023)	Transport has been an issue this year due to the rising costs and some funding has supported this. Pool hire was problematic in the Spring and Summer Terms due to the pool telling us about last minute changes. We use RNAS Culdrose (a naval base 15 mins away) and if the RAF requires it then they take precedence, which has meant some of our sessions have been cancelled. Truro School Pool was used some weeks as an alternative, but some classes had less swimming than others as a result.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	96% (74% in 2023)	This academic year pupils have had swimming in Year 3 x 6weeks, Year 4 x5 weeks, Year 5 x7 weeks and Year 6 x7 weeks this academic year at Constatine Primary. Within our employed staff we have qualified swimming teachers, a coach and lifeguard providing high quality swimming teaching to our pupils. Pupils also learn to swim butterfly when they have the skills required to do this.
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	85% (79% in 2023)	Children who are less confident have been taught to call for help, throw floating objects to those in difficulty and keep hold of floating objects should they get into difficulty themselves. They know how to exit and enter water safely in the pool we swim in and also open water that we have utilized on residential.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes	Mrs Gilbert is an experienced swimming teacher/coach. She provides feedback and support to the other staff swimming teachers. She qualified in November 2023 as an ASA Open Water Level 3 swim coach in her own time and has also requalified as a Pool (NPLQ RLSS) and Beach (SLSGB) lifeguard. She regularly attends local swimming galas and Open Meets as an official. This level of interest and experience helps support the teaching and development of swimming and lifesaving skills at CPS. Links with local swimming cubs, swim schools and surf life saving clubs are promoted by school and advice and information is given to and shared with parents throughout the year.
