

Foxhole Learning Academy

Our SEND Information Report including our Local Offer for Special Educational Needs and Disability (SEND)

The principle aim of the Academy is to educate individual children to reach their full potential and prepare them to be responsible citizens. Foxhole Learning Academy is an inclusive school and our facilities ensure access for all. Our emphasis is on providing quality experiences leading to quality learning.

Our local school offer details the provision that we provide within the Academy and outlines our determination to meet the needs of all children within the school, including those with additional needs and disabilities. All staff and governors are involved in monitoring and evaluating the provision provided and are collectively responsible for the successful implementation of the offer to ensure success and achievement for all pupils.

Responsible Persons

The SENDCo is Mrs Sarah Rayment Tel: 01326 454293, email: senco.foxhole@kernowlearning.co.uk

The Local Advisory Board member responsible for Inclusion is Mrs. Kelly Grigg.

Types of SEND provided for at the Academy 2023-2024

The range and numbers of pupils with special educational needs changes on an annual basis. In the last academic year, the following types of SEND were provided for:

- Speech, language and communication difficulties
- Autism spectrum disorder
- Learning and cognition disability
- Sensory processing difficulties,
- Behaviour, emotional and social difficulties
- Social, emotional and mental health difficulties

Social, Emotional and Mental Health represents the most common area of difficulty for children within the Academy (81.25% of the Record of Need is pupils with SEMH as their main difficulty or it forms a significant element of their SEND, a further 30% of those on targeted support are for SEMH). The direct employment of a speech and language therapist ensures that any difficulties highlighted by the class teacher or parent/carer can immediately be referred, assessed and appropriate intervention planned. We work closely with the Autism Disorder Spectrum Team and are able to seek advice, visits and assessment from them.

For any other form of SEND which has been identified, the class teacher and SENDCo, with advice from external agencies if appropriate, will devise and ensure appropriate targets are set and reviewed as stated.

Services and organisations we liaise with to support our pupils with SEND

Regular liaison is maintained with the following external agencies for pupils at SEND Support as appropriate and pupils with Education, Health and Care Plans such as:

- Speech and language therapist (employed by the Academy)
- Educational Psychology Service
- Early Years SENDCo
- Autism Spectrum Disorder Team
- Social Care
- Occupational Therapy Service
- Dreadnoughts
- Family workers
- Community Paediatric Services
- School Nurse Team
- Physiotherapy Service
- Take 2
- Child & Adolescent Mental Health Care Service (CAMHS)
- Education Welfare Service
- Badger Forest School
- Early Help Hub

Admissions and Inclusion

- All the teachers at Foxhole Learning Academy are teachers of children with special educational needs & disabilities. As such, Foxhole Learning Academy adopts a 'whole school approach' to special educational needs & disabilities which involves all the staff adhering to a model of good practice. The staff are committed to identifying and providing for the needs of all children in a wholly inclusive environment. Inclusion is regarded as essential to the policy, in line with that of Children, Schools & Families. The Academy operates an equal opportunities policy for children with special educational needs & disabilities and medical conditions who are afforded the same rights as other children. This includes those children with Education, Health and Care Plans and all pupils with additional and different provision.
- The National Curriculum will be made available for all pupils. Where pupils have special educational needs & disabilities a graduated response will be adopted. The Academy will, in other than exceptional cases, make full use of classroom and Academy resources before drawing on external support.
- The Academy will make provision for pupils with special educational needs & disabilities to match the nature of their individual needs and the class teacher and SENDCo will keep regular records of the pupils' special educational needs & disabilities, the action taken and the outcomes.
- All staff and governors are responsible for the successful implementation of support to ensure success and achievement for all pupils.

Identification and assessment of SEND

- The Academy offers a differentiated curriculum. When a pupil fails to make expected progress over a period of time, despite targeted interventions and shows signs of difficulty in some of the following areas: acquiring literacy and numeracy; presenting persistent social emotional & mental health difficulties; has sensory or physical problems; communication or interaction difficulties, the Academy will place the pupil at SEND Support and support that is additional to and different from the differentiated curriculum will be provided through an Education Support Plan in a range of ways including:
 - Classroom organisation and management
 - In-class support by teacher/teaching assistant
 - Individual/small group work
 - Behaviour support programmes
 - Use of specialist equipment/resources
 - Adaptive Teaching
 - Open access to the Nest

- Sensory breaks

- The resources allocated to pupils who have special educational needs & disabilities will be deployed to implement these Education Support Plans at SEND Support as outlined in the revised Code of Practice. Parents will be informed and pupils will be involved in decisions taken at this stage.
- If a pupil does not make progress despite the Academy taking the action outlined, advice will be sought from the appropriate support services and the Education Support Plan will be amended accordingly.
- If progress is still not achieved the child may be assessed, bearing in mind the County criteria, with a view to initiating a statutory assessment of special educational needs & disabilities under the 1996 Education Act. The appropriate forms will be used for recording and referral as necessary.
- Identification of special educational needs & disabilities will be undertaken by all staff through the SENDCo and the appropriate records and Children Schools & Families forms will be maintained. Records will be developed through a process of continuous assessment by the class teacher or as a result of standardised tests of educational achievement administered by the class teacher or the SENDCo together with end of Key Stage attainment tests. Assessments allow the pupil to show what they know, understand and can do, as well as to identify any learning difficulties. Where necessary, pupils will be referred to the SENDCo for diagnostic testing to construct a profile of the child's strengths and weaknesses, and further referrals may be made to appropriate external agencies.
- The progress of children with special educational needs & disabilities will be reviewed through formative and summative assessments as outlined in the Code of Practice. Education Support Plan reviews will be held termly. Additionally, the progress of children with an Education Health and Care Plan will be reviewed annually, as required by legislation.
- Detailed records will be kept of the pupils receiving additional and different provision. These may include: phonic check-lists, regular assessments of outcomes in small group provision and the results of any standardised and diagnostic tests. A summary of these will be passed on to any receiving school.

Types of additional and different provision for pupils with SEND 2023-2024

- The Academy provides a variety of interventions which are needs-led. The pupils receiving interventions are assessed and monitored by their class teachers and staff carrying out specific interventions, overseen by the SENDCo. All interventions are monitored, and clearly defined outcomes are measured, both on a holistic basis as well as considering children's progress in the core subjects of English and Maths.
- Almost all children participating in these groups are making progress according to academic measures and holistic outcomes such as increased class participation and emotional regulation.

Additional provision and intervention groups running through 2023-2024:

1:1 support for pupils with complex SEND	1:1 and group delivery of speech and language targets
Accelerated learning small group work in core subjects	Socially Speaking/Time to Talk programme
Personalised social/emotional programmes	1:1 reading intervention
Personalised timetable	Personalised curriculum
Outdoor learning	Heavy Muscle activities

Trauma Informed Schools	Funfit
Lego Therapy	Handwriting practice
Art and talk time	Specific SEMH support
Year 6 – Young mental health leaders	Music nurture groups

Training and expertise of staff supporting SEND

- The SENDCo has experience working with children with a range of SEND and is on the KernowLearning/CELT Operational SENDCo course. The SENDCo provides advice and support to all classroom staff to support pupils with SEND as well as liaising with external agencies to ensure pupils needs are met. The SENDCo refers to external agencies for additional advice where appropriate.
- The Academy benefits from the in trust expertise and support of a speech and language therapist, supported by a trained teaching assistant. The speech and language therapist is able to offer advice on a regular basis to the appropriate staff at the Academy on speech, language and communication issues.
- Staff have received training in areas such as: Trauma Informed Schools, behaviour management; autism awareness; emotion coaching and RWI 1:1 tutoring. Further half termly training is available for support staff through school hubs.

Answers to Frequently asked Questions

1 How does your Academy know if children need extra help and what should I do if I think my child may have special educational needs?

We use a variety of assessment strategies which are monitored regularly to ensure the progress of all children. If your child is not making progress, then a range of appropriate assessments will take place to ascertain the nature of your child's difficulties.

2. Who is responsible for the progress and success of my child in Academy?

The overall responsibility for your child's success lies with the Executive Principal and Local Advisory Board (governing body), supported by the Head of School, class teachers, the SENDCo, teaching assistants, yourselves and your child.

5. How will I know how my child is doing and how will you help me to support my child's learning?

The Academy works in partnership with all parents and carers. Parents and carers are invited to attend progress review meetings. One written report is sent home each year. If your child has been identified and assessed as requiring SEND Support or an Education, Health and Care Plan, you will be invited to review your child's progress throughout the year. Education Support Plan targets are devised in conjunction with the pupil and their parents or carers.

6. What support will there be for my child's overall wellbeing?

Our Academy has a family centred approach which promotes the emotional wellbeing of all of our pupils.

7. How do I know that my child is safe in Academy?

Risk assessments and safety policies are in place to ensure all children are safe within the Academy.

9. What SEND training have the staff at Academy had or are having?

Our SENDCo maintains up to date knowledge through attending termly meetings. Our SENDCo is currently undertaking the National Award for SEND. All classroom staff have received forms of training, where the need has been identified, in a variety of areas such as safeguarding, speech, language and communication difficulties and autism awareness.

10. How will my child be included in activities outside the classroom including Academy trips?

Provision is made for all children to take part in all learning activities.

13. How are the Academy's resources allocated and matched to children's special educational needs?

Appropriate resources, whether equipment or additional staffing, are available in all classrooms to help all children.

14. How is the decision made about what type and how much support my child will receive?

Additional and different provision for your child will be assessed and reviewed on a need basis. The Academy follows the graduated response outlined in the SEND Code of Practice (2014) where the 'Assess, Plan, Do, Review' cycle is employed to ascertain the type of provision required, its duration and outcomes are carefully measured. Your child may have specific and high level needs, which means they will only achieve good outcomes academically, socially and emotionally with continuous support and specialised, differentiated provision. In this case, the decision may be taken in consultation with you and external professionals, to apply for an Education, Health and Care Plan (previously known as a Statement of Special Educational Need).

15. Who can I contact for further information?

You can contact us at the Academy or SENDIASS (previously Parent Partnership) on: 01736 751921. The Care in Cornwall website (previously Family Information Service) also has a wide range of information on supportive organisations and useful contacts.

16. What should I do if I feel that the Local Offer is not being delivered or is not meeting my child's needs?

Please contact us at the Academy and we will answer any queries or concerns you may have. If you feel your need is still not being met, please refer to our complaints policy.

17. How is your local offer reviewed?

We will review our local offer annually, or when an unforeseen substantial change in policy necessitates a review of aspects of the offer.
