Staff nominated as out-of-hours key holders are sometimes required to attend site following the activation of the alarm. When they are called out they will not know what situation they will find and consequently systems need to be established which reduce the potential for them to be harmed.

It is considered that it is foreseeable that when attending a call out there is a potential for injury due to assault (which is rare) or as the consequence of an accident.

Fire Crest are the school's nominated representatives who will respond in an out-of-hours call out.

The school will assess the risks to these individuals and introduce suitable control measures to ensure that all risks are minimised.
