

SCHOOL MUSIC STRATEGIC PLAN

This document supports the DfE vision set out in the refreshed National Plan for Music Education 2022

School Name: Upton Cross Primary Academy

Local Music hub: ASONE Perform

Music Lead: Emma Stephens

Music Specialist (if applicable)

Headteacher: Emily Goodey

Music Development Plan – How to read this document

1. **Each section starts with an Evaluation:** This should be a ‘best fit’ evaluation of Upton Cross’ current musical outcomes and practices. The evaluation will be chosen from the following options:

Not yet in place	Securing	Strengthening	Stretching Beyond
Needs priority support and development	Not yet fully in place Further development required Not yet sure of impact on outcomes Needing some support	Effective in driving good outcomes for pupils A strength of music in our school Some development may be required to maintain momentum or make further improvement	Highly effective in driving good or better outcomes for pupils A real strength which our school would be willing to share with others.

2. **Setting Actions:** Each section is supported by actions to complete over academic year. THE RAG indicates the status of the action which will adapt and change throughout the year.

Area	Set your school some actions here		Review Date	Status

	3			

3. **Review:** The actions set will be reviewed throughout the academic year. This will be completed with the music

Lead with a member of the SLT, a least once a year. Following the review, the rate of progress will be measured via the RAG rating (as above). As this is a working document, it may be adapted as and when required during the academic year.

Focus area 1: Curriculum

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

	Not yet in place	Securing	Strengthening	Stretching Beyond
Curriculum	<ul style="list-style-type: none"> * Music is delivered 'ad hoc' and not in every year group Some groups of students are unable to access the music curriculum. * Progress over time is not measured or celebrated. There are limited resources for teaching. 	<ul style="list-style-type: none"> Music is a timetabled subject, with schemes of work and assessment in place. All students are able to access this curriculum in all year groups. Students engage with schemes of work and build areas of musical interest and growing skill. Pupils with additional needs are able to participate and engage with music-making. There is adequate teaching space and resources available. 	<ul style="list-style-type: none"> The music curriculum is at least as ambitious as the national curriculum. Curriculum sequencing is clear. Good progress is demonstrated by secure and incremental learning of the technical, constructive, and expressive aspects of music, developing musical understanding. Pupils with additional needs are able to participate and progress well (supported by technology, tools and adapted instruments). Space and resources allow breadth of curriculum for all students, including music technology. 	<ul style="list-style-type: none"> Curriculum goes beyond level of the national curriculum, seeking to address social disadvantage by addressing gaps in knowledge, skills and experiences (i.e. concerts, live events).
Our curriculum best fit is: Strengthening				
valuation	<p>Upton Cross Academy have a music curriculum that is informed by 'Charanga' (as recommended by the ASONE Hub), the Early Years Foundation Stage curriculum, Music National Curriculum and Music Skills Progression document. The curriculum details the composites and components to ensure good music knowledge, skills and development from EYFS to the end of KS2, including pupils with SEND. This includes use of music technology, singing and instrumental teaching. Music is inclusive for all pupils, with adaptations and scaffolding where appropriate.</p>			

Teachers plan and teach their own units using a variety of resources including: Charanga, BBC Schools Radio, BBC Ten Pieces and their own expertise and enthusiasm, in addition to First Access. Music units are planned strategically using small steps, with previous knowledge and skills as the entry point and the unit composite as the exit point. Singing and musical vocabulary are the golden threads which are woven into all music lessons. Music planning is overseen by the music lead to ensure progression. As we have mixed year group classes, we have a rolling 2 year programme of themes and songs covered. Music planning and progression is overseen by the music lead to ensure quality and progression. Music is timetabled for at least one hour each week of the school year for KS1 and KS2. Music is embedded in everyday practice in EYFS.

Action Plan: Curriculum

Area	Set your school some actions here		Review Date	Status
Curriculum	1	Strengthen the curriculum further with planned progression of vocabulary/ planning for musical teaching through knowledge organisers.	December 2024	
	2	Each class to document their music learning journey through a music floor book, focussing on the beginning, mid-point and end of each unit with notes about any successes and areas to develop.	December 2024	
	3	CPD to upskills teachers.	December 2024	

Curriculum Question Prompt

Is the music curriculum planned for in all year groups across Key Stages as guided by the National Curriculum?
Is the music curriculum planned for in all year groups and skills sequenced progressively across Key Stages as guided by the National Curriculum?
Are there opportunities for singing? Including an understanding of how to develop singing healthily and musically?
Is there teacher assessment? Do you know how to use assessment to drive 'getting better at' music?
Is curriculum music provision 60+ minutes over the week (can include music / singing assemblies) in line with aspirations of the National Plan? If not, what is the current timetabled time for music?
Do all curriculum music lessons take place in a suitable space or specialised music environment?

Focus area 2: Co-curriculum

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles, and bands, and how pupils can make progress in music beyond the core curriculum.

	Not yet in place	Securing	Strengthening	Stretching Beyond
Co-Curriculum	<ul style="list-style-type: none"> Singing takes place infrequently in school. There are opportunities to perform for a small number of pupils. There may be barriers to participation. Facilitation of one to one and small group tuition is limited or inconsistent. 	<ul style="list-style-type: none"> Singing and vocal work is frequent, varied and all students are engaged All pupils, including the most disadvantaged and pupils with SEND, have an opportunity to perform regularly. In-school musical events take place at least termly. The school facilitates one to one and group tuition. Pupils and families facing the largest barriers are given support to engage in music learning as part of, and beyond, the curriculum. 	<ul style="list-style-type: none"> Singing and vocal work is embedded into the life of the school and into every child's experience, drawing on a wide range of high-quality, age-appropriate repertoire and developing musicianship. All staff in the school are able to support singing. Music performance is a prominent component of school life from an early age; music is performed in assemblies and events such as sports day and open evenings alongside in-school events. The overall provision is diverse, valuing all musical styles, genres and traditions equally; this is reflected in the clubs and enrichment programme and drawing on the skills, talents and interests of staff and local stakeholders through specialist tuition. 	<ul style="list-style-type: none"> A full, long-term singing strategy is in place that ensures progression for all students. The school tracks and monitors engagement in enrichment, ensuring that there is a large proportion of students able to engage in music in and out of school. Provision is targeted, demonstrating wider impact. Co-curricular music is supported by the school and time is allocated for staff to run these groups successfully. Students are able to take leadership roles in musical opportunities. The school is actively involved in national, largescale events.

Further Evaluation	<p>Children at Upton Cross Academy have many opportunities to learn about music and a variety of instruments during their time with us. We work closely with the ASONE Music Hub, they provide a music specialist teacher to deliver lessons to every year group in our school. Through the 'First Access' scheme the Y3/4 children have whole class ukulele lessons for a term and the Y4/5 children have whole class keyboard lessons for a term. During the term they learn their instrument and then perform at the end of the term to the school community and wider community. Y1/2 take part in the 'inspiration project' with a specialist music teacher for a term and perform at the end to their school and wider community.</p>			

EYFS-Y6 Choir: The children have the opportunity to sing together in our school choir. The choir are involved with many events throughout the year with ASONE and our community. They take part in the ASONE Songfest mass choir at a local venue, joining together with other primary schools in a celebration of music and community. Community examples include performances at the village summer fair and performances at the local retirement home.
 We have several performance opportunities throughout the year, in front of parents and members of our local community.

Co-curriculum Prompt:

Does the school provide 1-1 and small group tuition with ASONE Music Hub / Cornwall Music Service Trust / Registered music teachers /Rocksteady on a variety of different instruments?

Do you know what % of the school population engage in instrumental tuition?

Are there opportunities for your pupils to perform in both formal and informal settings on a regular / annual basis?

What are the barriers to running, rehearsing and curating ensembles in your school? How can they be overcome?

Are there any ensembles? If there are led by a competent musician?

Is there an annual/ termly concert event?

Focus area 3: Musical Events and Opportunities

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

	Not yet in place	Securing	Strengthening	Stretching Beyond
Musical Events and Opportunities	<ul style="list-style-type: none"> Engagement ASONE music hub is limited. Small-scale performance takes place in the community, building on existing school links. Some parents and carers support music-making in the school by attending events. 	<ul style="list-style-type: none"> The school takes up opportunities from the ASONE music hub. (such as the Big Sing event) and signposts opportunities for students. Community links are established with the music team; regular events take place throughout the school year. Parents and carers actively support music making, through support at events and through home learning. 	<ul style="list-style-type: none"> The school makes the most of a wide range of opportunities from the hub, working with and supporting the ASONE music hub. Meaningful partnerships are established with the community and a large proportion of students engage with this, understanding that there are clear civic and moral benefits to doing so (link to personal development and character education). The views of pupils, parents and carers have been considered when developing music provision. The school has links to the wider music eco-system and actively encourages students to join Rocksteady. Students benefit from interactions with those working in the profession. 	<ul style="list-style-type: none"> The school is a leader musically in the local community and works closely with ASONE Music Hub being able to influence and support beyond their immediate setting. There is a co-ordinated programme of community events, planned in partnership with stakeholders. These events giving students the opportunity to engage in volunteering. Parents/carers and the wider community are actively involved in school music making. The school has established connections with the next stages of musical education and the music service so that progression routes can be signposted meaningfully

Further Evaluation Detail

Children at Upton Cross Academy enjoy a variety of musical experiences.

Singing in assembly: Through weekly singing assemblies, the whole school are taught songs which create a sense of belonging and purpose, include preparation for events within the school community in addition to local community and beyond. These songs are then sung in assemblies throughout the year.

Themed music is played during weekly assemblies. Music listening takes place within curriculum music, in addition to assemblies. The music listening ensures breadth of genres and period of music through history.

In addition to performing at the end of music units, all children have the opportunity to perform during assemblies, Christmas shows and the end of year performance.

All children who learn a musical instrument have the opportunity to perform to their peers during assemblies throughout the year when appropriate.

Where possible, we get involved with events organised by ASONE Perform, for example watching the Bournemouth Symphony Orchestra perform.
